

DR. PEARSON'S TRANSCONTINENTAL SCHEME RECEIVES A SETBACK

KUHN-LOEB TO TAKE OVER SECURITIES

English Capitalists Become
Embarrassed Trying to
Finance Gigantic Plan.

SIERRA MADRE ROAD PLAYED ITS PART

Was to Form Part of the
Rock Island-Lehigh Valley
Transcontinental Road

New York, N. Y., July 28.—From all appearances the attempt of Dr. F. S. Pearson and associates to form a new transcontinental route, with El Paso on the line and the old Sierra Madre road and its extension to the Mexican Pacific coast playing a prominent part, is a failure, at least at present. It may be carried out eventually, but not now. The failure has caused a big flurry in the stock market.

A violent rebound in the prices of stocks took place today, stimulated by reports of taking over the Kuhn, Loeb & company of the holdings of the embarrassed interests which had over extended themselves in an attempt to control the new transcontinental railroad combination.

The removal of large amounts of securities overhanging the market uncovered a heavy stock interest and prices rose rapidly.

Although Kuhn, Loeb & company made no official announcement today, it is known that the company's holdings of Rock Island, Lehigh Valley and Missouri Pacific stocks took over, was operating in connection with English interests headed by Sir Ernest Cassell. A syndicate is said to have been made up of Canadian and English operators headed by Dr. F. S. Pearson, and had for its aim a new transcontinental group. A decline in the market upset the plan, but certain banking interests here look with favor on the plan and it is not unlikely that it will be carried out.

TWO WOMEN BURNED TO DEATH; SAWMILL BURNS

La Grande, Ore., July 28.—The destruction by fire of a homestead house, six miles from Union last night, resulted in the cremation of Mrs. J. S. Dean and an adopted daughter who were sleeping in the house. A son who was sleeping in the yard was awakened by the heat of the fire, but he was unable to render his mother and sister any assistance.

The sawmill of the Stoddard Mill company on Katherine Creek, nine miles from Union, together with nine cottages and the lumber yard of the company, were also burned last night. The fire communicated itself to the adjoining forest and present indications are that many hundreds of acres of timber will be burned over.

ENGLISH CATTLE BARRED.

Washington, D. C., July 28.—Owing to the discovery of foot and mouth disease among the cattle of Yorkshire, England, the importation of cattle from that country into the United States has been prohibited until the extent of the disease is determined.

BRYAN HASN'T GIVEN UP FIGHT

Lincoln, Neb., July 28.—William J. Bryan will continue his fight for county option and the initiative and referendum. In a statement today he says:

"While the failure of the Democratic convention to endorse county option was disappointing, still the fight for county option in the Democratic party has not been vain. It has helped to secure a declaration in favor of the initiative and referendum in both parties and there is no doubt of the necessary amendment being submitted at the next session of the legislature. The work now to be done is to secure county option candidates in every senatorial and representative district."

ILLINOIS DEMOCRATS SOLD TO HOPKINS

Chicago, Ill., July 28.—The Chicago Tribune today prints a statement that an attempt was made previous to the election of William Lorimer as United States senator to purchase 17 Democratic votes at \$2000 a vote to assure the return of senator Albert J. Hopkins.

The story follows a luncheon where Roger Sullivan, Democratic national committeeman from Illinois, and representatives of the Legislative Voters' league fired pointed remarks at each other. Mr. Sullivan is quoted as saying: "Why don't you fellows look into what Albert J. Hopkins was trying to do at Springfield for four months."

The Tribune declares \$35,000 was collected to buy needed votes. It was placed in the hands of two little known legislators and a block of votes selected and made ready for delivery. It is alleged that Mr. Sullivan and speaker Shurtliff spoiled the plan. The latter told the culprits he would expose the plot from the chair the moment a Democratic ballot was cast for Hopkins.

Sullivan told them he would break every political bone in their bodies. If they voted for Hopkins. That ended it.

The Tribune expresses the belief that the plot was formed without the knowledge of senator Hopkins.

DEMOCRATS OF MINNESOTA PUZZLED

Haven't a Candidate They
Can Settle on For Governor—
Tariff Gets a Rap.

CHAIRMAN PRAISES A DEAD GOVERNOR

Minneapolis, Minn., July 28.—The Minnesota state Democratic convention was called to order today for the nomination of a full ticket. Congressman W. S. Hammond was temporary chairman. Interest centers in the gubernatorial nomination and the fight on the county option plank.

Indications are that the state at large will force the nomination of former governor John Lind in spite of his own protests and the efforts of those party leaders who fear his alleged county option tendencies.

Among those mentioned as second choices are congressman W. S. Hammond, of St. James; mayor James Haynes, of Minneapolis; Judge G. W. Stanton, of Bemidji, and John Jensen, of Duluth. Fred Johnson, of New Ulm, a brother of the late governor C. A. Johnson, is a possibility, it is said. He has already been mentioned as the nominee for secretary of state.

The state makers are confident that John Lind, former governor, will be named to head the ticket.

Chairman Hammond, in calling the convention to order, delivered the keynote speech.

He began by deploring the death and exhorting the life of the late governor John A. Johnson. He scathingly denounced the Payne-Aldrich tariff bill, mentioning specifically the lead and wool schedules, and pronounced the tariff commission a mock political subterfuge, a body purposely created without power or action. He also devoted considerable attention to a definition of Cannonism.

County option and other local issues were not mentioned. He said in part: "The people of this country have time and time again decided by substantial majorities that the present method of protecting the domestic manufacturer and producer shall be maintained and while many question the wisdom of this kind of indirect taxation and the righteousness of imposing burdens upon the many for the benefit of a lesser number, the questions have become rather academic and the abolition of the system is not seriously contemplated."

Excessive Rates.

"There is a widespread opposition, however, to excessive rates making the burden upon the consumer greater than they should be."

"For illustration: The duty of 1 1/2 cents per pound on lead bearings and 2 1/2 cents per pound on pig lead makes the rate \$20 per ton on the former and \$42.50 per ton on the latter. The total cost of producing pig lead from the ore is from \$6 to \$10 per ton, say on the average of \$8. Now suppose it costs the foreign producer less than \$8 on account of wages he has to pay. Then the difference between the \$8 and the cost of production here and the cost in the country from which the import comes ought to be the amount added to the \$30 to the rate in pig lead."

It could not exceed \$8 even if the foreign producer paid nothing for the work. But the tariff charge is \$12.50.

PENNSYLVANIA HAS THIRD PARTY

Dissatisfied Democrats and
Disgruntled Republicans
Put Out Joint Ticket.

STREET CAR MEN REFUSED A PLACE

Philadelphia, Pa., July 28.—A convention rather unique in the history of Pennsylvania politics will be held in this city today in the gathering of Republicans and Democrats dissatisfied with the candidates placed in the field by the two old parties.

There is much uncertainty as to who will head the ticket. The three candidates for governor most frequently mentioned are William H. Berry, Democrat, former state treasurer, who exposed the capitol frauds while in office and who has a large following; D. Clarence Gibbons, Independent Republican, head of the law and order society of Philadelphia, and George V. Guthrie, Democrat, former mayor of Pittsburgh. The real contest seems to be between Berry and Gibbons.

The convention will also name candidates for lieutenant governor, state treasurer and secretary of internal affairs.

The United Labor party, the outgrowth of the trolley strike here last spring, has demanded that it be given representation in the convention and on the ticket, but it is announced that this will not be given.

POLITICS WARMING UP OVER ARIZONA

Politicians Preparing For
Campaign for Constitutional
Delegates.

Tucson, Ariz., July 28.—With Albert M. James, of Douglas, as chairman of the Republican territorial central committee, succeeding Hoyal A. Smith, of Douglas, a meeting of the committee is scheduled to be held early in August.

Mr. James has taken a prominent part in politics since locating in Douglas eight years ago, coming from Washington, D. C. He is a graduate of George Washington university and is at present United States commissioner at Douglas. He is conceded by party workers to have been a factor in the election two years ago, when Cochise county was swung into the Republican column.

May Meet at Prescott.

Neither the time nor place has been fixed for the meeting of the territorial committee, but it is likely to be held at Prescott, the same as the meeting of the executive committee of the territorial committee, the mile high city being accessible to members and its committee residing in northern counties and also a trifle cooler than some of the spots to be state.

The Prescott meeting was attended by Hoyal A. Smith, Blisbee, M. E. McCarthy, Globe; Allen T. Bird, Nogales; C. M. Gaddis, J. L. Hubbard, Apache; J. M. Smith, Cocconino; M. E. McCarthy, Gila; R. E. Morrison, Yavapai; R. A. Kirke, Cochise; Sims Ely, Maricopa.

The Democratic territorial committee having held no meeting at which it was definitely decided there would be no nonpartisan delegates to the constitutional convention, as far as the Democrats were concerned, and with the Republican committee to meet soon, the various county central committees of both parties are holding meetings and fixing the time for primary elections and county conventions.

Pima County.

In Pima county, the Republican county central committee has called a primary election for August 8, the county convention, which will name delegates to be voted upon at the general election September 12, to be held August 15.

The Pima county Democratic primary will be held on August 10 and the county convention on August 17.

Maricopa County.

The Maricopa county Republican committee has August 6 for the primary election, at which time 76 delegates will be selected to the county convention, which, in turn, will name nine delegates to be voted upon at the general election. Chairman Mintz, secretary Ingles and E. H. Lewis have been appointed to fix the date of the Maricopa county convention.

Yavapai County.

The Democratic central committee of Yavapai county has fixed the date of the primary election as August 12 and the county convention of Democrats of that county will be held August 18.

ROOSEVELT IS FOR MEN ABOVE PARTY, HE SAYS

Oyster Bay, N. Y., July 28.—While Theodore Roosevelt wishes to keep in the background in the approaching campaign, he will, as he said on several occasions, do all in his power to help the men who stood by him and his policies, but is non-committal as to whether he expects to carry this to the point of coming out openly in favor of the Republicans all over the country whom he considers to be standing for his ideas.

He does say, however, that he must forget factional differences and even party lines, and support the men and the things which he believes to stand for the best interests of the country as a whole.

VICTORY OF THE ANTS EMPTY

Governor Will Have a Prohibition
Legislature Against
Him Next Term.

CAMPBELL MAY TAKE TOGA FROM BAILEY

Austin, Texas, July 28.—The Democracy of Texas is torn asunder by the results of the primaries of last Saturday. There are strong surface indications that a split in the party over the question of state-wide prohibition is imminent. It is reported that a conference of the prohibition leaders will soon be called with the view of outlining a plan of action.

The dissension in the party grows out of the fight for the gubernatorial nomination of the anti-prohibitionists, who have been nominated governor and that the proposition to make the submission of a constitutional amendment providing for state-wide prohibition to a vote of the people a demand of the platform of the Democratic party and therefore binding upon the legislature, was carried by a good majority in the primaries.

The political situation is the most remarkable in the history of Texas. The most intense interest attaches to the possible outcome of the state Democratic convention which will meet in Galveston August 16. It will undoubtedly be in control of the prohibition element of the party. According to information received here from various parts of Texas, there was a uniting of the state-wide prohibitionists and William Polindexter and R. V. Davidson, the defeated candidates for governor, in many of the precincts in the selection of delegates to the county conventions.

The situation bodes plenty of trouble for Mr. Colquitt. This fact is admitted by his closest friends and supporters. The fact that a majority of the Democrats have decided for a principle which he opposes unalterably and that he was nominated governor solely by the strength of this opposition to state-wide prohibition makes it impossible for him to accept the gubernatorial mission plank of the platform. To do this would bring down upon him the condemnation of the very people who nominated him. The anti-prohibition organization is determined to make a fight to see if prohibition no matter if a majority of Democrats have expressed a desire that the proposition be submitted to a vote of the people. With this organization, compromise or leniency will not be tolerated. Should Mr. Colquitt, on the other hand, repudiate the submission plank of the platform, he would leave the way open for a split in the party and the submission plank of the platform. To do this would bring down upon him the condemnation of the very people who nominated him.
